# WORKING WITH YOU

Here to supply, serve & support

## WHOLESALEERS

We bring more choice to your trade counter, and branch-tailored promotions on lines best suited to you and your customers.

We work WITH our stockists, and can include your brand in our localised marketing. We aim to be your supply partner, not just your supplier.

## SPECIFIERS & PROJECT LEADS

The JOVIA range is a popular choice for residential and commercial projects owing to its robust quality, modern features & designs.

As project suppliers, we work with speed & agility to ensure your project has access to prompt & flexible supply, and a dedicated point of contact.

## ELECTRICIANS

Be a JOVIA Ambassador and benefit from exclusive discounts and increase your business's visibility to your domestic or commercial clients.

## COLLABORATIONS

We can also work collaboratively on projects. Combined project supply can benefit clients through locality, efficiency & social value contribution.
